

E-CLEAT™ WALKING TRACTION®

Model JD450

E-CLEAT™ Walking Traction® is a lightweight industrial grade winter traction device that fits easily over all types of shoes and boots. Comfortable enough to be virtually inconspicuous on the user's foot, the E-CLEAT™ Walking Traction® is also easy to put on or take off in seconds.

The E-CLEAT™ Walking Traction® feature 26 "molded-in" carbonized steel studs for aggressive and permanent traction for everyday walking on ice and snow. With the E-CLEAT™, employees can have the confidence to walk in slippery winter conditions while still wearing their everyday footwear.
