

EASY SPIKE™

Model JD350

The EASY-SPIKE™ ice cleat is a compact and light weight industrially designed winter traction device that fits easily over all types of shoes and boots. Extremely easy to use they can be put on or taken off in seconds. Light in weight, the EASY-SPIKE™ is virtually inconspicuous on the user's foot or when carried in a pocket.

EASY-SPIKE™ ice cleats feature 22 "molded-in" carbonized steel studs for durable and permanent walking traction for employees that are faced with harsh outdoor ice and snow conditions. With the EASY-SPIKE™, employees can have the confidence to walk in harsh conditions while still wearing their everyday footwear.
