

HEEL-GRIPS®

Model JD325

HEEL-GRIPS® ice cleat is a light weight and compact heel grip for boots. Extremely easy to use, they can be put on or removed in seconds. Weighing in at less than 4 ounces per foot, HEEL-GRIPS® are virtually inconspicuous on the user's foot. The traction on HEEL-GRIPS® ice cleats comes from 14 high-profile tungsten carbide studs per pair, which enable employees to walk confidently in winter conditions. The tungsten carbide studs are molded into the sole for maximum durability.

HEEL-GRIPS® feature a fully adjustable and replaceable upper strap. Adjust the strap as needed for various styles of footwear, or replace it entirely if worn out.
